Thursday April 23rd - Saturday April 25th, 2020

Historic Downtown Events Vendor Rules

Vidalia Onion Festival Committee Regulations and Policies

- **Who to contact regarding Downtown Vendor inquiries:** The rules and regulations listed in this section should be able to answer the vast majority of questions that vendors have prior to the festival event. All questions, concerns and requests should be sent via email to: vof.vendors@gmail.com. **Email is the preferred method of communication.** Normal response time should be 24 hours or less from February 1, 2020 until the festival ends. Please see the “Terms and Conditions” section for more details. Voice mail and/or Text contact: (803) 998-1304.
- **Vendor Spacing:** All vendor booth spaces are 20’X20’. If your space is larger than this, you MUST acquire and pay fees for TWO (2) spaces. Please supply all fire tables, tents, and chairs for your space if you need them as the Vidalia Onion Festival Committee (VOFC) does NOT supply these items. No Push Cart Service (Mobile Vending) is available due to limited space.
- **Admission:** All vendors that have paid their fees to The VOFC will be afforded three (3) free passes to admit their work staff to downtown festival area. These passes ARE NOT INTERCHANGEABLE if you plan to utilize “shift work”. They are intended for your work staff only, not friends or family. If you have more than three people in your work area, you will need to purchase additional passes at gate prices. Prices will vary from 5 dollars to 25 dollars each depending on the event, venue and day. Gate prices for each day can be found at <http://www.vidaliaonionfestival.com/>. Failure to wear wristbands that are afforded to you or purchased will result in additional gate fees charged when the event area is accessed.
- **Setup and Takedown:** All vendors located at City Park that have purchased their space for more than one day (consecutively) for the festival ARE NO LONGER REQUIRED TO TAKEDOWN their setup each night. If you’re located at City Park, please be aware that the entire park is under camera surveillance 24 hours a day. Also, please note that cleanup crews will be working after the conclusion of the nightly events with blowers to remove debris. Ensure that all goods are secured properly to avoid damage from flying dust and debris. The City of Vidalia, its counterparts, nor the VOFC are responsible for any damages incurred while cleanup efforts take place.
 - a. **For Vendors located outside City Park:** City streets reopen each day for the area of Jackson, Meadows, and Church street. Setup and takedown must be done **daily** in these areas to support our local businesses and downtown community. Pre-staging before each day will be communicated via email with daily times of planned street closure.
- **Supplies:** Each Vendor that is cooking in any way, shall always have a **working fire extinguisher** near the cook area. Please review the following list of items or supply needs that are normally requested. Please note that you must staff your site appropriately to purchase and transport ice, onions and water.
